* Due to rounding, program and statewide totals may appear inaccurate.

Note: Due to rounding, program and statewide totals may appear inaccurate.

As of SFY2012, SAGA Medicaid was replaced by the Medicaid Low Income Adults program and included in the Total Medicaid counts; for comparison to data from previous fiscal years, it is shown separately as well.

As of SFY2013, Medicaid Tuberculosis and Family Planning programs are included in the Total Medicaid counts.

As of SFY2014, Affordable Care Act and Medicare Savings Program (i.e., Qualified Medicare Beneficiary and Special Low Income/Additional Low Income Medicare Beneficiary) data are included in the Total Medicaid counts. The ACA and MSP data represent estimated averages for the last six-month period of the fiscal year and estimated averages of unduplicated cases/recipients for the entire fiscal year, respectively.

As of SFY2015, Affordable Care Act data represent actual, not estimated, averages for the entire fiscal year. Medicare Savings Program (i.e., Qualified Medicare Beneficiary and Special Low Income/Additional Low Income Medicare Beneficiary) data continue to represent estimated averages of unduplicated cases/recipients for the entire fiscal year.

Total Medicaid currently includes State Supplement; Medicaid Family, ABD, Long Term Care (LTC), Tuberculosis, Family Planning; Medicare Savings Program; Medicaid for Lowest Income Populations (formerly LIA); and Affordable Care Act.
